Million Residence of the control of

MOVEMENT FOR A NEW STATE.—A meeting was held at Ontonagon on the 25th ult, composed of delegates from the Upper Peninsula of Michigan, and from those portions of Wisconsin and Minnessor to bordering on Lake Superior, for the purpose of considering the propriety of the formation of a Ferritory out of the Lake Superior, for the purpose of the best of the week would assure the happiness of mery a mun. But such ls not human nature. No one that day must be borne, the fatigues met, the sun the large states, to be effected by the recession of lands to the tieneral Government. The reasons assigned for the movement are the distance of those regions from the capitals of the different States to which they belong, the difficulty of getting to them, their virinal disfranchisement in many elections.

d hand, expressing ms are his money would be found—how as to be opered.

It gave directions that his furniture should be sold to pay the grow be owed; and he asaid that he sold to pay the grow be owed; and he asaid that he sold not kill himself for this nisserable sum of money, but because he was tired of life, fittigued by the number of emotions he had experienced, and the knowledge he had obtianed by his various fortunes to the first there was no such thing as happiners in the world. It locked this letter in the recreatery, and midd unorning calls on his friends, and on the gay of the distribution of the first hand on the gay of the distribution of the first hand on the gay of the first hand on the ga

# LOUISVILLE.

or, are all too well known and firmly estable

o be a party to the chest which Mr. Buchana attempted upon the entire American people revolutions have all the evidence if trails

change his principles to sail partisan expedie.

Congress, under its dol't ni question. They expose a state of itable to the set of senge ed or

WEDNESDAY, SEPT. 15 1858.

entions at Syrae i.e. the American and the Kepuh lican, appointed a paint committee of conference to brepare resolutions for their adoption. Mr. Brooks the committee reported a series of resolutions which were adopted unanimously by the American attended on the action refer in any way to sharery, and we sulgoin them. They are right and true in spirit, so far as they go, and the American doubt but that the unitre time of the unitre time of the unitre time of the unitre. of the South are as willing as the Americans of the North to stand upon them. They involve no cou-lias characteri ed it cession by the South on the subject of slavery, and the South can make none. If any persons in any nection are not satisfied with the endorsement of meetion are not satisfied with the endorsement of these resolutions by the South, they need not ex-

ocratic party is becoming disjutegrate i and that

We have no thought of discussing here the co attutional power of Congress over the subject of slavery in the Territories. Whatever its power ar he. Il has no right to establish slavery in the

and none to abolish it against their voice and will.

The resolution of the Joint Committee which de-clared against the right of Congress to establish

slavery in the Territories against the people's will

should have gone further and declared against the rup'st of Congress to abolish it there against the poof r three years and n half associated with us in the eds orral management of the Louisville Journal, has as med the chief editorship of the Baltimore Clip-

per, one of the print pal organs of the gloriou American party of Maryland.

The Americans of Baltimore and Maryland ha been fortunate indeed in securing Col. Whiteley' invaluable services. We do not know of a mor he. He pousesses in an emilient degree all the qual e that could tend to constitute efficiency. He has the bearings and tendencies of every question and movement, he serzes upon all subjects with the rasp of a vigorous intelect and handles them with masterly admittees, he expresses his writter thoughts with singular felicity, force, and rapidlty ul is almost as energetic and powerful in apeaking us in writing, and, in addition to all this, be has in him "a spark of comething dangerous," of which his enemies, political or personal, may "well be-

We expect the Baltimore Clipper, under the management of our old friend Whiteley, to win an un arabeled prosperity. If any of the people of Baltimore, who call themselves true Americans, neg-tect to take the Clipper and to advertise in it and to do all they can to permute its circulation and my. W., with such encouragement as he is entitled to expect, can make his paper recognized as an impor-tant organ of the Americanian of the intent.

CE Mr K u, who went down in front of M.

Who need a squadron in the field. Nor the desilons of a battle knew Northman apinter.

Affect the military style of metaphor. They are always "marching" against something "in solid col-uma, presenting a "full front," or "levelling bay-onets or termin; "a solid phalanx," or going "mboulder to shoulder," or "mingling banners," of "mo ing into line, against come direful enemy ait it I particularly in the North. And the fun o it is, that they unter these things with a sort of lofty ticulate that is positively exerneisting. Non, if the sellow fever were to appear in Charleston we don't believe they would stop to form a phalanx, or mingle hanners, or level bayonets, or unite the South, or ev n to 'retand," but would go at once,

Instead of each to greater, that, if we were to brea its been easily party, the editor of the beeners of the the mealing or the state, break not, or were also to the printer, to say the new could be said and this smarthy are in mender. That was a horrish fill under the ears of the seed to Justice. an low was needed. It would be difficult for it crues make a closer, whether the emallies aloud it is a yound uld break in C an nat' Enquerer

The Washington I mon is a polyjors in the party's some the Washington Star a stitch in its side, the lemorrat a tubercle in its lungs, and the Cincinnati Empirer a fistula in that part of it where such things grow and we don't suppose its condition sould be taste much worse if, in addition to all these maladies, it had naver, dropsy, amultiper y llow to er, and Turkish plague.

c the Portiand Democrat in a pratended attempt at a personal description of as, calls our some a rank. The a calumny. Nature never sombled us—not even our now. We could be that our now ed it, but it is certainly the finest no e belonging he editorial fraterraty of Louisville. As for its ears seem to be, he can thear bimself speeze. great is the distance of the explosion, and, even with things happen right under his nose, he can excase his inattention to them under the plea that he has to atten ! - matters pearer bome.

C The Memphia Avalanche, faned as the organ of the l'ennessee (re-caters, is out in a fierce article of nearly three columns against Douglas's late de laration as to the power of the equatters of a Ter-ritory t aboli h slavery legally. The editor justly siders this doctrine as the dirtiest and most mon strons of all the many forms of aboltsonism. He says that it is "looked upon with althoriemie by every true Southern man, as accomplishing all that the wildest fana ic and most rampant abolitionis

DELAWAY POLITICS.—In Wilmington, at the re-cent charter election, the People's Party carried a reasonity of the candidates on the Ward tickets—the Chry Treasurer, City Assemor, three Inspectors out of live, and the Alderman. The Mayor was defeat-ed by one vote. The limit Ward, hitherto always Democratic, has given a People's man to the Council. Four out of the six members of the Council were elected by the People.

The editor of the Cincinnati Enquirer preten now that the Washington I'mion, in its attacks on Mr. Douglas, is not the organ of the Adminis tration' But how is it with President Buchanan office-holder? May we not regard Buchanan as a organ of the Buchanan Administration?

When we visted that prison nearly thirty years ago, there were only three females in it, but the Superintendent said be had more frontile with them than with all the men under his charge. We wonder how he or his successor gets along with size.

CFA Douglas paper in Illinois announces that "two young orators, the sons of distinguished mea, and each a chip of the old block, have taken the atump for Mr. Douglas." So Douglas's cause has been taken up on two chips.

The editor of the Charleston Mercury thinks that "the malpractices of the Democracy should be abolished." It will be easier to abolish the Democracy itself.

Mr. Whitehouse has had a fair trial with his legraphic machine on the Atlantic cable and failed. This is not the only White-House failure recently

Car Diere is a vary small stage running on the bed of the Ohio river between Pittsburg and the person whether the person whether mouth. Of course there are but few passengers. The last number of the Scientific American de ribes a curious lish that has "a craw like a fowl." Isn't it a craw-fish?

CA A man named Motinnia of Stelouville, Ga. recently hung himself to scare his wife. She let him hang long enough to get scared himself. These confounded fire are here yet, and they seem de-ermined to sun in crazy.—Southern Mercury

mem er of the bar of that city, and son-in-law of A. D. Hunt, E-q, of this city. Mr. Harrison was formerly of Lexington.

Nashville railroad has been completed. A number charged for these presses, which is from ten to twenty-tive dollars, has prevented a great many from availing themselves of its nasfulness. Measure, Bradley & Delfruce, isooksullers and stationers, 65 Fourth struct, are the agents for the sake of the Eagle copying press, which will not fail to give satisfaction. These presses are sold at the very low price of two dollars. All who have not this mecsal article for the counting house should try one. At this house can also be obtained all the heat looks published. Country merchants, buying school books and stationary, would do well to give this firm a call.

Fencing a sheatful accomplishment; it imparts grace to the limbs, and is, beades, one of the finest exercises which can be adopted. A pair of folls and

make are much more health-giving than any other mode of manily sport, except, perhaps, rowing, and they have the great advantage of always presenting in-door exercise. Besiden this, we have the anthority of Col. Domas shall the total of the product of despondency and its supper; and in a state of despondency and of Col. Dumas that "the man who has carte aberration, indication

ity of Col. Domas that "the man who has carte and tierce at his linger's ends, must be a gentleman."

The Chinese Jugglers appear to night at the Masonic Temple for the last time. During the evening fifty golden prizes will be distributed among the andience. This will add to the interest of the performance, which is really worth seeing. There has been a very excellent attendance on the previous here will be distributed among the andience. This will add to the interest of the performance, which is really worth seeing. There has been a very excellent attendance on the previous night.
